Membership renewal 2021-22

Last year, we asked members to “Stand With Us” in chaotic times to ensure the continued strength of the profession. The call was answered – with 99% membership retention.

To date, we've made progress with government on several high-priority issues in the health care system, but there is still more to be done. For 2021-22, we invite you to “Remain United” and renew your AMA membership as we work on your behalf.

[Visit the AMA website to renew your membership](#), and you can also sign up for pre-authorized payments (PAP) or update your PAP profile and banking information. If you prefer, you can print the form, complete it and send it to the address/fax number below. [Contact us](#) for the PDF.
