Tarrant Scholarship 2019

For the past few years, the Section of Rural Medicine has partnered with the Canadian Medical Foundation and the AMA to enable members to contribute on a charitable basis to the Tarrant Scholarship program. AMA members have donated approximately \$73,000 in the past and the section would like to thank all who have donated. Your contributions enable the continuation of this important scholarship.

The SRM encourages you once again to consider a tax-deductible donation to help ensure the continued future of the Tarrant Scholarship as it works to sustain the educational development of future rural physicians.

If you would like to donate and receive a tax-deductible receipt, please contact Kirsten Sieben at kirsten.sieben@albertadoctors.org or Jennifer McCombe at jennifer.mccombe@albertadoctors.org.
