Who inspires you? The AMA is calling for Achievement Award nominations

The Alberta Medical Association is calling for Achievement Award nominations for individuals who have contributed to the improvement of the quality of health care in Alberta. Help honour colleagues and Albertans who inspire through what they achieve.

The **Medal for Distinguished Service** is given to a physician(s) who has made an outstanding personal contribution to medicine and to the people of Alberta, and in the process has contributed to the art and science of medicine while raising the standards of medical practice.

The **Medal of Honour** is awarded to a non-physician(s) who has raised the standards of health care and contributed to the advancement of medical research, medical education, health care organization, health education and/or health promotion to the public.

Nominations must be submitted by **April 30**. The awards will be presented at the AMA's fall 2023 annual general meeting.

To request a nomination form for these awards, please contact Debbie Kuss, Administrative Assistant, Public Affairs, debbie.kuss@albertadoctors.org or visit the [AMA website](#).
